THE GUEST HOUSE AND THE UFAFABRIK

Here you can enjoy an affordable stay in a friendly atmosphere. Located close to the Berlin underground train station, we are an optimal yet quiet starting point for your urban adventure.

In the welcoming ambience of the ufaFabrik Berlin we offer enjoyable accommodation to families, single travelers, artists and groups.

Embedded in the multi-cultural center of the ufaFabrik, you have immediate access to the alternative side of the metropolis.

When you've had enough of roaming the streets you can either recover in our theaters and at the Café Olé (with outdoor seats), or visit our children's farm with your family. If you are feeling hungry feel free to try some fresh Bread from our internal organic grocery store.

Our unique facilities can be booked for seminars and festivities. Just ask the friendly employees at our Guest House about any inquiries.

Guidances regarding the history of the ufaFabrik, ecology and communal lifestyles are also bookable.
